A *tree* is a wonderful symbol for life. The *roots* symbolize a rich and nourishing history as a basis for growth. The *trunk* is the solid foundation of principles, standards, commitment and support. The *branches* symbolize the directions and opportunities available to grow, learn, discover, challenge and pursue. Finally, the fruit is the symbol of success from years of perseverance in learning, living and growing.

Richard Delaurier (of *Custom Choice Builders*) crafted the tree in Anne McClymont Elementary School's front lobby. Families of past, present and future may purchase a maroon colored apple plaque (personally engraved) to mount on the crown of the tree. The apples will mark the legacy of families that have attended the school and that wish to leave a memorable memento on site. *AME PAC* thanks Wendy Delacourt for bringing this tree to life!

In support of our school community, we encourage all families to participate in this fundraising endeavor. Official tax receipts will be issued to each donor from SD23 and mailed directly to the address you provide. In order to receive a tax receipt, payment must be made by cheque payable to "School District No.23".
